

Job advertisement Team-Gym Coach

The gymnastic sport centre of Dornbirn offers a wide base in gymnastics and has worked the way up in Team-Gym to the national top. We offer nearly 300 active young gymnasts a good education in gymnastics for the future. Our women master class team was part of the last two European competitions in Team-Gym.

To the further development of Team gymnastics we are looking for a male coach.

Area of responsibility:

Construction of training plans and training of the master class team and the junior team
Instruction of other coaches of team gymnastics in the club
Information exchange and exchange of views with the management committees

Responsibility:

Development of the training instruction for all areas of the team gymnastics
Leading of the master class team and the junior team especially at tumbling and trampette
Preparation of the teams for the European and Austrian championships in autumn 2010
Care of the teams at the European championships

Basic conditions:

Halls with equipment of the most modern apparatuses available.
Start at 1st March till November 2010
Full time job or half time job as requested
If requested study possibilities can be opened.
